

PLAYERS NEED TO BE AT THE FIELD 30 MINUTES PRIOR TO GAME TIME

High School rules apply with the following exceptions:

* All players will hit. The coach will set the batting order and it will stay that way throughout the entire fall. To insure an even number of at bats per hitter, each half inning will have five (5) hitters and the inning will be over. The bases will be cleared after three outs. If a batter is hit by a pitch with either of the first two pitches, he will stay and hit and the last out will run for him.

* Free substitution. Last out will run for the catcher and pitcher. Pitchers can only reenter as a position player.

* Pitchers may only throw a maximum of two (2) innings per game and will face five (5) hitters per inning.

* Games are 7 innings. No new inning may start after 2 hours. If the top of the 7th inning is played, play the bottom of the 7th inning regardless of score.

There are no extra inning games.

There are no run rules.

*There are no sacrifice bunts. Hitters can push or drag for base hits only.

* Visiting team will be the first team listed on the schedule. Visiting team is responsible for having someone run the scoreboard. There will be no scorebook kept.

* To keep games moving, we ask all players to hustle on and off the field.
